Venue

Cockburn Ice Arena - 401 Progress Drive, Bibra Lake WA 6163

The original rink was completed in 1995 to foster the sports of ice skating, with a key focus on athlete development. Since the move to Progress Drive in October 2015 we have expanded to 2 x ice surfaces, which has allowed us to increase the ice time dedicated to the sports we support those being Figure Skating, Synchronized Skating Ice Hockey, and Curling.

With the expansion we also added party rooms, a larger Proshop, a dance studio upstairs, and a licensed restaurant Cabin 401 Bar and Grill which is located adjacent to the Sports Arena, Rink 2. By supporting the rink, you are indirectly supporting the athletes who make Cockburn Ice their home rink.

Transport

Cockburn Ice Arena is located approximately 29km (30 - 35 mins drive) away from Perth Airport, 13km (20 mins drive) away from Fremantle, and 20km (20 mins drive) from Perth City.
